Benevilla's Circle of Caring Friends...

Good Friends Making Good Things Happen

I have been part of COCF for a long time. We have so many fun activities and I

love meeting all the new people!
- Olive Arkoosh
(member since 2006)

In 2004 a group of active Benevilla donors and volunteers were looking for a way to give back even more. The Circle of Caring Friends (COCF) was created to join their stories and voices together to support the efforts of Benevilla.

The group's goal is creating awareness and encouraging volunteer involvement. In support of their mission they organize a year-long calendar of fund- and friend-raising events from fashion and makeup demonstrations to themed lunches to socials at Scorpion Bay.

"Making good friends who are doing good things" - Jeanne Jones (member since 2006)

The COCF has made significant contributions to Benevilla including providing the North and South patio of Birt's Bistro on the main campus in Surprise, donating furniture for program locations, supporting Benevilla events like the annual Ball, golf tournament and Festival of Cheer and putting in many volunteer hours.

If you are interested in having fun while lending your time and talent to Benevilla, creating awareness of our organization in our community, and sharing Benevilla's purpose and services with your neighbors, we welcome you to the Circle of Caring Friends.

"I like getting to know people, getting people interested in what we are doing. You need to come to an event and see how great it is." - Dolores Cherezian (member since 2007)
